Molly Fisher

Kokomo High School Class of 2019 graduate Molly Fisher was accepted as a direct admit into the Physician Assistant Program at Valparaiso University. Molly, the daughter of Jeff and Cindy Fisher, will earn a Bachelor's degree in Health Sciences in three years, and complete her Master's degree in Physician Assistant Studies in two years. The Wherrett Memorial Scholar and Valparaiso Presidential Scholar combined rigorous Advanced Placement and International Baccalaureate Diploma Program courses with Kokomo Area Career Center Health Science classes, such as Principles of Biomedical Sciences. The KHS Future Health Professionals President earned Top 10 honors in the International HOSA Leadership Conference for her Health Careers Display. The Varsity Volleyball Co-Captain noted: "The variety of courses offered at KHS prepared me to be successful in college. I have had the opportunity to develop skills in laboratory settings at the KACC, while also practicing and preparing for rigorous essays. KHS taught me how to be a balanced student."

Onward **Kokomo!**

Kokomo High School is definitely on the move, and celebrating student successes!

The KHS College Prep Academy features 25 Advanced Placement (AP) courses (corporation-paid AP exam fees), an authorized International Baccalaureate (IB) program, Project Lead the Way engineering courses, and award-winning Music and Arts programs.

These College Prep courses help Kokomo High School students earn prestigious scholarships to outstanding universities.

Congrats to all KHS graduates! If you would like to join the KHS academic family, please contact Principal Angela Blessing via email at ablessing@kokomo.k12.in.us
