Bronson's Success Story ...

"I am Kokomo High School Class of 2021 graduate Bronson Smith, son of Brian and Anita Smith, and my time as a Wildkat has helped me create strong connections with teachers and students that will last me a lifetime. I am thankful for the endless opportunities that Kokomo High School provides its students.

"I played four years on the varsity Football team, where I earned Academic All-State honors, Defensive Lineman of the Year honors, and Most Improved Offensive Player honors. I was an athlete on the Track & Field team and Unified Track team at KHS, as well as a member of the Future Business Leaders of America, Varsity Club, and National Honor Society. I also helped organize the 5th annual Black History Month Live Museum at Kokomo High School. I feel Kokomo High School has done a great job helping me better myself, while asking me to strive to become my best self.

"My Advanced Placement Literature & Composition teacher, Ms. (Jenifer) Scott, really opened my eyes to the world of literature. The class was difficult at times, but Ms. Scott made that class one of my favorites because she pushed me outside my comfort zone and helped me think about the world differently. I thank the KHS counselors for helping me enroll in courses, such as the Creating Entrepreneurial Opportunities class, which moved me closer to my goals. To be successful at KHS, I believe you have to learn to be comfortable with being uncomfortable. I must thank my parents for seeing my potential, and pushing me to better myself; and for that, I love them.

"I will attend Indiana University Bloomington on a full scholarship as an IU Groups Scholar. I plan to earn a degree in Environmental Safety/Safety Management, and hope to pursue an internship in either Washington D.C. or Colorado. Eventually, I want to launch my own clothing line or open my own business."

[BRONSON SMITH]

The Kokomo High School Class of 2021 definitely has experienced unprecedented times during its final school year of high school. These KHS seniors have persevered to a stressful environment by being adaptable and flexible, while continuing to pursue academic excellence.

Even though Kokomo Schools could not do our annual Onward "group" photo session, the Onward Committee believed it was important that the KHS Class of 2021 not miss this opportunity. Individual photo sessions were scheduled throughout the day so the Kokomo School Corporation could meet pandemic protocols while celebrating student success.

The KHS College Prep Academy features 25 Advanced Placement (AP) courses (corporation pays all AP exam fees), an authorized International Baccalaureate (IB) diploma program, Project Lead the Way engineering classes, and an award-winning Music and Arts programs.

Congrats to all KHS Class of 2021 graduates. If you would like to join the KHS academic family, please contact Principal Angela Blessing via email at ablessing@kokomo.k12.in.us.
