Aditi's Success Story

Kokomo High School Class of 2017 Salutatorian Aditi Sood plans to attend the University of Evansville as one of only 8 Indiana students selected for the Baccalaureate to Doctor of Medicine Program. Aditi, the daughter of Sanjeev and Seema Sood, hopes to specialize in orthopedic surgery after completing medical school, while also working in the policy sector of medicine "to help make the system more efficient." The Indiana Academic All-Star and National Merit Scholar accepted the National Merit Scholarship from Evansville, which covers full tuition. The National Debate Qualifier completed the KEY (high ability) program and the IB Middle Years Program, while also taking advantage of the KHS College Prep Program by taking 14 Advanced Placement courses. "These high-level programs coupled with the dedicated KHS faculty members and teachers create an environment conducive to student success." The AP Scholar with Distinction and Varsity Swim Team Captain noted that Kokomo Schools forever has a place in her heart. "The diversity of Kokomo High School extends beyond race and ethnicities. We have diversity of thought, expression, and ideals. A culture of acceptance always permeates. It has been my honor to attend Kokomo Schools."
