Ann's Success Story

Kokomo High School Class of 2017 graduate Ann Stahl received acceptance letters from IU, Butler, Purdue, and IUPUI before accepting the Presidential Scholarship from Manchester University to study Biology-Chemistry on the pre-medicine track. Ann, the daughter of Karen and Mark Stahl, hopes to focus on Emergency Medicine in medical school, and one day travel to developing countries to provide medical care. The Mayor's Youth Council for Substance Abuse President believes the many high-level courses offered at KHS prepared her to be successful at college, noting, "these classes provide many opportunities to learn college material, and even a chance to transfer college credit or help provide the knowledge to test out of college courses." The Marching Band Section Leader completed 11 Advanced Placement (AP) courses, including Biology, Chemistry, and Physics. The Student Council Senior Officer thanked her AP Physics teacher Tom Ferguson for "inspiring me to do what I love and encouraging me to take challenging courses."

Onward
Kokomo!

With 24 Advanced Placement (AP) courses, an International Baccalaureate (IB) authorized program, dual credit classes, and Project Lead the Way engineering courses in our College Prep Academy, along with a K-Tech Academy, a STEM Academy, and an award-winning Arts program that now includes Orchestra; Kokomo High School is definitely on the move. KHS builds on our traditions while we prepare our graduates to embrace success in the future. We continue the expansion of excellent academic programs, courses, international partnerships and exchanges, updated facilities, and SO much more! If you would like to join the Kokomo High School family, contact Principal Angela Blessing via email at ablessing@kokomo.k12.in.us.
