Kenny's Success Story

Kokomo High School Class of 2017 graduate Kenny Burton plans to use the Wherrett Scholarship (\$60,000) and a Butler Merit Scholarship (\$90,000) to complete Butler University's Engineering Dual Degree Program, which will allow him to graduate in five years with a degree in engineering from the Purdue School of Engineering at Indianapolis, while also earning a Bachelor's Degree in natural sciences, mathematics, and/or economics from Butler. Kenny, the son of Mary Beth and Kenneth Burton, is strongly considering Purdue's Motorsports Engineering program, the only one of its kind in the nation. The KHS Varsity Baseball player is excited to complete an internship at Delphi this summer, which will allow him to enter his career field much sooner than other students. The Advanced Placement (AP) Scholar noted, "Taking 15 AP courses has allowed me to become very aware of my academic strengths and weaknesses. By grinding through a very difficult and diverse workload from AP Physics to AP Psychology, I developed a better idea of the career fields I wish to pursue in college. Thanks to KHS, I could not be better prepared for college, as well as life after high school." The National Honor Society Treasurer thanked his parents, "two of the hardest working people I know, for inspiring me daily to pursue my dreams."

Onward
Kokomo!

With 24 Advanced Placement (AP) courses, an International Baccalaureate (IB) authorized program, dual credit classes, and Project Lead the Way engineering courses in our College Prep Academy, along with a K-Tech Academy, a STEM Academy, and an award-winning Arts program that now includes Orchestra; Kokomo High School is definitely on the move. KHS builds on our traditions while we prepare our graduates to embrace success in the future. We continue the expansion of excellent academic programs, courses, international partnerships and exchanges, updated facilities, and SO much more! If you would like to join the Kokomo High School family, contact Principal Angela Blessing via email at ablessing@kokomo.k12.in.us.
