Linda's Success Story

Kokomo High School Class of 2017 graduate Linda Coe received acceptance letters from Valparaiso, IUPUI, IPFW, University of Indianapolis, and Goshen College before deciding to attend Ball State University to pursue a nursing degree. Linda, the daughter of Connie and Gregory Coe, hopes to become a labor and delivery nurse while pursuing a Master's degree to become a specialized Nurse Practitioner in Obstetrics. The International Baccalaureate (IB) Career Program Candidate cited this program for allowing her "to combine hands-on career center classes, such as Health Science II: Nursing and Anatomy and Physiology, with rigorous IB courses, which gave me an edge when applying to colleges." The Community Howard Regional Health volunteer was able to obtain her Certified Nursing Assistant (CNA) license, while realizing her passion for nursing. The KHS HOSA Future Health Professionals club member co-organized a campaign to raise money for a fellow student battling leukemia. The National Honor Society member thanked Kokomo Schools for offering the IB Career Program, which "has been an important part of my life."
