Molly's Success Story

Kokomo High School Class of 2017 graduate Molly Hedrick received acceptance letters from Michigan State, IU, IUPUI, Miami, IU Kokomo, Berea College, Baruch College, and Ball State before deciding to attend Purdue University's Krannert School of Management on a Presidential Scholarship to study Entrepreneurship. Molly, the daughter of Buffy and Nicholas Hedrick, dreams of being a successful owner of a bakery. The Environmental Club Co-President cites the KEY (high ability) program for "challenging me to discover my capabilities by pushing the limits of what I thought I could accomplish." The United Way Youth Volunteer of the Year Runner-Up completed the IB Middle Years Program, where she had the opportunity to travel to Costa Rica for Spanish immersion, while also taking 10 AP classes through the KHS College Prep Program. Molly appreciated the wide variety of courses offered at KHS (which are not available at many area high schools), while she loved spending time with the KHS International students, from whom she learns about their unique cultures. The Creating Entrepreneurial Opportunities (CEO) student thanks her parents for teaching her the value of hard work.
