## Andrea Stout

Kokomo High School Class of 2018 graduate Andrea Stout plans to attend Purdue University to major in biology, with a focus on environmental science. Andrea, the daughter of Cathy and Phil Stout, hopes to pursue a career in ecology. The Advanced Placement (AP) Scholar took advantage of Kokomo High School's College Prep Academy by completing 14 AP courses. The National Honor Society member took every AP math and science course available at KHS, including Calculus AB & BC, Physics I and II, Statistics, Biology, Chemistry, Environmental Science, and Computer Science. The Student Council officer believes "the wide range of class options and extracurricular opportunities offered in Kokomo Schools helped me develop important skills for college, while the many AP classes, with their increased workload, will help me adjust to the more difficult courses I will experience at a university." The Boys Soccer Manager thanked teachers Beverly Noel, Aaron Blessing, and Rebecca Swan because "I could tell how much these teachers actively cared about what they taught. They created engaging learning environments."

# Onward **Kokomo!**
