Madison Wood

Kokomo High School Class of 2018 graduate Madison Wood plans to attend Miami University of Ohio after receiving the college's Red Hawk Excellence Award, Bridges Program Award, and Heritage Award, which covers full tuition. Madison, the daughter of Shelly and Mike Wood, is considering a degree in psychology to become an academic advisor, or counselor, at the high school, or college, level. The National Honor Society member thanked KHS counselors Heather Mygrant and Sarah Spencer for giving her the confidence to take several Advanced Placement courses, which she believes have prepared her for college-level coursework; adding, "I've worked incredibly hard my whole life, both in and out of the classroom, to become the student athlete I am today because athletics and academics never came easy to me." The talented 3-sport athlete (basketball, tennis, volleyball) noted that Kokomo Athletics has a special place in her heart. "I always have taken great pride in Kokomo High School. I am proud to wear the Lady Kat jersey." The Jesse Dunn Lady Kats Leadership award recipient valued her opportunity to mentor students at Lafayette Park Elementary because "this experience gave me the chance to help our future Kokomo Wildkats grow."
